Caleb: Now I can talk.
Caleb: What's so urgent, dude?
me: oh okay!
me: my FB was taken over, had to restore it
Caleb: Was it the Feds?
me: nah, bra
me: however
me: got some info today from this activist who has weird ties to FBI
me: apparently they're kind of out to get me
me: this LulzSec thing doesn't help
Caleb: What the devil is LulzSec again?
me: group of former Anons who've been on this massive hacking spree
Caleb: So is it the Feds or the Anons?
Caleb: I don't see any ridiculous updates from your profile in my Facespace newsfeed.
me: no, I got it back almost immediately
me: probably one of the various patriot types who hate us
me: I've got an amazing number of people who sit there looking for clues by which to, like, "expose" me
me: currently they're trying to make the case that I'm involved with Lulzsec
Caleb: So who was behind today's Citigroup/bank thing?
Caleb: The same guys who haxed you?
me: it wasn't from today
me: yes, same guys who haxxed me
Caleb: ARE YOU CITIGROUP/BANK?
me: then they installed an autoaim on their Counterstrike
me: it's not fair
me: I AM NOT
